Beer Baron's

If you like to try different things then sign up to become a beer baron. You will drink from a list of 40 local and imported beers. Upon completion you will receive a beer barons shirt and your name will be immortalized in the beer barons hall of fame which will be displayed in The Barn for all to see.

Simply fill out the form below and we will get you started on a world tour of amber inspirations. There is no time limits and no it's not a contest to see how quick you can get through the list. We heavily promote the responsible service of alcohol and encourage you to enjoy the list in moderation. As you will be drinking a different beer every time you visit it is important to be aware that mixing beers is fun but you might not get through your regular quota especially some of the imported beers that are much stronger than our local brews. So take your time and enjoy the ride.

When you would like to purchase a beer from your list please inform staff before they open the beer so they can keep track and serve you the correct brew every time.

Simply state your full name and the friendly staff will locate your details and mark off the appropriate beers consumed in each session.

The beers on the list have been selected in a random order to provide you with the ultimate balance. You may check your progress at anytime but the intention is for each beer to be a surprise.
